Professional Summary

Information Science and Engineering undergraduate with strong programming skills in C++, Java, and Python, along with a solid understanding of Data Structures, Algorithms, DBMS, Operating Systems, and Computer Networks. Experienced in developing full-stack and machine learning projects, with a strong interest in AI-driven software engineering and solving complex programming problems.

Education

BMS College of Engineering **Sep** 2024 – Present
Bachelor of Engineering, Information Science and Engineering ***CGPA: 8.7*** *(after 6thSemester)*

Government Polytechniq Soraba, Shivamogga **Sep** 2021 – **May** 2024
Diploma in Computer Science and Engineering **CGPA:9.59**

Technical Skills

Programming Languages: C,C++,Java,Python
Cloud computing: AWS, Microsoft Azure, Google cloud
Machine Learning: Scikit-learn, Pandas, Numpy, Matplotlib
Cyber Security: Network Security Basics, Cryptography Concepts, Vulnerability Assessment *(*basic*)*
Databases: SQL, MySQL, DBMS Concepts
Tools & Platforms: Linux(basic), Git, Jupyter Notebook, Google Colab, VS Code

Projects

Wanderstay-Online Hotel Aggregator & Booking System April 2025
Technologies:HTML, CSS, JavaScript, Node.js, MySQL
Developed a responsive hotel booking platform with destination-based search and filters. Implemented user authentication and an admin panel for managing hotels and bookings using Node.js and MySQL.

Maternal Health Risk Prediction System Nov 2025
Technlogies:Python, Machine learning, Numpy, Pandas, Scikit learn, Matplotlib
Built a machine learning model to predict maternal health risk levels using medical data. Performed data Preprocessing, trained multiple models, and visualized insights for accurate prediction.

Certifications and Volunteering

Volunteering

- Volunteered in the Sustainability Committee during UTSAV 2025 at BMSCE, contributing to eco-friendly event planning and promoting campus sustainability..
- Participated in Adamya Chetana's Green Sunday programme, supporting tree-planting and environmental conservation activities through regular community drives.
